

The Carlton

1900+ Sq. Ft.

“The Carlton” has all the room your family will ever need at a price that you will not believe!!! This home boasts a large kitchen & a spacious living room and dining area. Upstairs the possibilities are endless. You can choose 3-5 bedrooms, second floor laundry, a loft or family room, or the master suite you have always dreamed of. The **choices** are yours to make!

Technically Savvy,
Respectfully Driven!
