

The "Malibu"

1550 Sq. Ft.

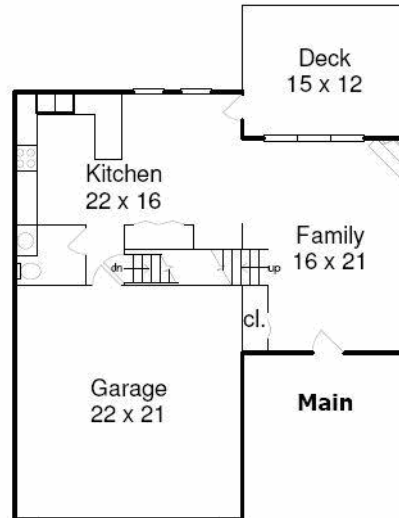

CVE Builders

The "Malibu" features 1550 square feet of living space. Open the front entry and enjoy soaring 18' tall ceilings in the great room. This home features great use of windows through out the main level to bring the outdoors into your home. The kitchen and dining room are sure to provide an open and airy feel to the entire first floor. All 3 bedrooms and 2 additional baths are located on the upper floor. Come view the master suite with its high pitched cathedral ceiling. The laundry is located on the upper floor.
